Sunpak One Year Limited Warranty

This Sunpak product has been carefully manufactured, accurately adjusted, inspected and thoroughly tested before shipment to assure you of the highest quality.

Should this Sunpak product require service, we will repair or replace, at our option, any part, or the product itself, which our examination shows to be defective in material or workmanship. *This warranty does not apply to wear and tear associated with the normal use of the product.* This warranty is non-transferable.

Repairs will be made to the product at no charge, under the terms of the warranty as stated above, only when accompanied by a copy of your dated and itemized sales receipt. Be certain to follow all assembly and/or operating instruction with this product.

This warranty is not valid if the product has been misused or damaged in any way that is beyond our control or through normal wear and tear associated with its use. This warranty only applies to the product and we are not responsible in any way for losses, damages or any inconvenience caused by equipment failure.

Some states do not allow the exclusion or limitation of consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights and you may have other rights which may vary from state to state.

Should service be required, carefully pack and send pre-paid and insured along with a check or money order for \$3.95 for shipping and handling to the address below. Description of the defect should be enclosed to expedite handling. Proof of purchase (original sales receipt) and payment for shipping and handling must be included for all warranty repairs.
