

# Sunpak LED42 video light

## High-power illumination for your camcorder or HDSLR camera

Ultra-thin design with 42 super-bright LEDs rotate using patent pending light column technology for even lighting of standard 4:3 and wide 16:9 HD formats. Runs on just two AA batteries with power booster for increased light without additional batteries.

### Instructions

**Battery installation:** Open the battery compartment by sliding out and install two alkaline or Ni-MH AA (batteries not included).

**Mounting foot with locking ring:** Insert the LED 42 foot into the mount of your camcorder or HDSLR camera and tighten locking ring to secure. The 1/4"-20 threaded socket allows mounting on a tripod or light stand.

**Power and dimmer control:** Turn on by moving the dimmer control dial. Rotating the dimmer to the left increases output. Adjust for light requirements.

**Rotating light columns:** rotated individually to achieve various lighting options. Set light columns straight ahead standard 4:3 illumination. For 16:9 HD format rotate the light columns outward. The light columns may also be rotated inward for special requirements. Note: do not rotate the light bars beyond the first left or right click stops.

**Diffuser:** used to diffuse light for more pleasing results.

**Color correction filter:** used to create warmer and more natural tones.

### Sunpak One Year Limited Warranty

This Sunpak product has been carefully manufactured, accurately adjusted, inspected and thoroughly tested before shipment to assure you of the highest quality.

Should this product require service, we will repair or replace, at our option, any part or the product itself, which our examination shows to be defective in material or workmanship. This warranty does not apply to wear and tear associated with the normal use of the product. This warranty is non-transferable.

Repairs will be made to the product at no charge, under the terms of the warranty as stated above, only when accompanied by a dated and itemized bill of sale and nominal handling charge.

Be certain to follow all assembly and/or operating instructions with this product. This warranty is not valid if the product has been misused or damaged in any way that is beyond our control or through normal wear and tear associated with use. This warranty applies only to the product and we are not responsible in any way for losses, damages or any inconvenience caused by equipment failure.

Some states do not allow the exclusion or limitation of consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights and you may have other rights which may vary from state to state.

Should service be required, the product should be carefully packed (in the original packaging if possible) and sent, prepaid and insured, along with a check or money order for \$4.95 (shipping and handling), to the address listed below. A note briefly describing the nature of the defect should also be enclosed to expedite handling. **Proof of purchase and payment for shipping and handling must be included for all warranty repairs.**

Sunpak, ToCAD America Inc., 53 Green Pond Road, Rockaway, NJ 07866, Attention Service Department

### Specifications

- Light source: 42 high-power cool light LEDs
- Output: adjustable dimmer control
- Weight: 4.2 oz (without batteries)
